

WEBLOK® Contract

WEBLOK® CONTRACT...is the essence of ingenious simplicity, engineered to allow the use of a full range of coil counts with only one style grid. The WEBLOK® CONTRACT Boxspring System is comprised of two simple components - a high quality, notched and welded grid-top and single cone coils notched at the top for a fast, sturdy connection without using clips.

- Available in 8.75 (3.56mm) and 9.5 (3.61 mm)
- High quality notched grid-tops create superior mattress support.
- Border rod for added edge firmness and support.
- Single cone type coils flex and conform with the mattress.
- Notched coil tops and matching notched grid tops allow for fast secure assembly and are proven by years of consumer satisfaction.
- Available in all popular sizes.
- WEBLOK Coil height - 5 7/8" (15cm).
- Designed for the punishment of contract use.
- We supply and control the high quality of our wire product from our own wire mills.
