

HINGE-FLEX™ KNOTTED OFFSET INNERSPRING

HINGE-FLEX™... the knotted Offset, is often recognized as a natural step-up in innersprings. The Offset coil is designed with two offset bars on both top and bottom convolutions for superior hinging.

The L&P Offset unit is the best of its kind. HINGE-FLEX gives added life to the mattress. HINGE-FLEX provides an exceptionally strong and quiet mattress due to the tighter sewn helical wire. Our offset is sensitive to body contours, improving sleeping comfort.

Due to its unique hinging action, HINGE-FLEX is firm, yet flexible. It's the choice for premium mattresses in adjustable beds and hospital units.

Unit Coil Counts

Twin	Twin XL	Full	Full XL	Queen	King	Cal. King
220	240	330	360	408	528	525
253	275	368	400	450	575	572
